Speakers' Bureau

Are you looking for a speaker who is a specialist in an area of gifted education to come to your region? Is cost an issue for your school or centre or group or affiliation? giftEDnz can help!

The giftEDnz Speakers' Bureau is a group of renowned professionals who have agreed to make themselves available as speakers for institutions, clusters, or individual schools or centres throughout Aotearoa New Zealand. The speakers will give their time and expertise, and giftEDnz will cover the cost of a speaker's travel, accommodation (up to a specified value) and also pay an honorarium to the speaker.

So, are your professional development needs around such areas as:

- ⊙ Differentiation strategies in the classroom
- ⊙ How to support underachieving gifted and talented students
- ⊙ The use of digital technologies for gifted learners
- ⊙ Twice exceptional learners
- ⊙ Transition to school for gifted students from early childhood centres
- ⊙ Socio-cultural issues and the gifted student?

Or do you want to hear about the latest research around gifted and talented learners in our New Zealand schools and centres?

Then send in an application to the giftEDnz Speakers' Bureau and hear what those in the know have to say.

BUT – you will need to be a member of giftEDnz to qualify.

A list of speakers from the Bureau, along with their biographies and the areas in which they are happy to speak about, is on the giftEDnz web site at www.giftEDnz.org.nz.

The link to the application form is also on the Speakers' Bureau page on the website.

**If you are a member of giftEDnz, apply now!
Only a limited number of Speakers can be provided through the organisation each year.**
